

## GSA Schedule Solicitations

Center for Services Acquisition: This office has expertise in the area of financial and business solutions. The **Financial and Business Solutions (FABS) Schedule** includes such financial support services as credit monitoring, auditing, financial management, accounting, budgeting, financial asset, and business information services. Additional services include risk assessment and mitigation, risk analysis, and data breach analysis.

Center for Services Acquisition	Solicitation Number	Point of Contact
Financial and Business Solutions (FABS) <a href="#">Schedule 520</a> *Accepts eOffer	<a href="#">FCXB-F4-020002-B</a>	(703) 605-2820 Jacqueline Austin <a href="mailto:jacqueline.austin@gsa.gov">jacqueline.austin@gsa.gov</a>

Management Services Center: This office has expertise in a variety of services. The **Mission Oriented Business Integrated Services (MOBIS) Schedule** includes consulting, facilitation, survey, training, privatization support, and program management services to support business management functions. The **Professional Engineering Services (PES) Schedule** covers the distinct phases of an engineering project for the major disciplines of mechanical, electrical, chemical, and components of civil engineering, as well as such sub disciplines as aerospace, nuclear, bioengineering, and marine architecture.

The **Language Services Schedule** includes translation and interpretation services, comprehensive linguistics analytical and support services, and services for the visually and hearing impaired. The **Environmental Services Schedule** includes environmental planning, compliance, waste management, reclamation, recycling and disposal, and remediation services. The **Logistics Worldwide (LOGWORLD) Schedule** covers a variety of logistics management and support services.

The Management Services Center also has responsibility for the **Consolidated Schedule**. In the event the supplies and services vendors offer can be classified under more than one solicitation or acquisition center/office, vendors may want to consider participating in the consolidated solicitation. This solicitation includes items under most Schedule solicitations GSA issues. The solicitation is designed for companies that are in horizontal markets—that is, companies that offer items falling under various solicitations or acquisition centers/offices. The Consolidated Schedule provides a single entryway into the GSA Schedules Program. It allows vendors to reduce the costs of participating in GSA Schedules, expand their menu of commercial offerings, reduce administrative costs by minimizing duplication, and better manage their offerings.

[Integrated Workplace Acquisition Center](#) (formerly National Furniture Center): This office is the leading supplier of furniture and furnishings to federal activities worldwide, and can provide a solution that fits any environment and budget, including purchase, lease, or rental. The **Office Furniture Schedule** includes furniture systems and workstation clusters, tables, acoustical partitions and wall treatments, stacking chairs, filing and storage cabinets, and executive office and conference room furniture. Services under this Schedule include installation, design/layout, and reconfiguration and relocation. The **Household and Quarters Furniture Schedule** covers a variety of dormitory, quarters, and residential furniture; upholstered seating; casual and outdoor furniture; and installation and leasing. The **Packaged Furniture Schedule** includes packaged offices, dormitory and quarters packaged rooms, and healthcare rooms.

The **Comprehensive Furniture Management Services Schedule** encompasses such services as project management, asset management, design/layout, and reconfiguration/relocation management related specifically to furniture. The **Special Use Furniture Schedule** includes furniture for libraries, preschool and classrooms, auditoriums and theaters, mail sorting and distribution, cafeterias and food service, and hospital patient rooms, as well as industrial and institutional furniture. Services under this Schedule include installation, design, and reconfiguration, in addition to leasing.

The **Miscellaneous Furniture Schedule** includes security filing cabinets, safes, vault doors, and special access control containers. The **Floor Coverings Schedule** includes carpets, carpet tiles and cushions, resilient flooring (vinyl, rubber tile and sheet goods), and mats and matting (with and without logos). The Schedule also includes a variety of flooring made from recycled and/or biobased content, as well as installation of carpets and hard surface floors. The **Furnishings Schedule** includes lamps/shades, window treatments, coordinating bedspreads and comforters, wall art, artificial plants, and decorative wall and tabletop accessories.

This office also provides customer agencies with a variety of diverse products and services under several other Schedules. The **Professional Audio/Video, Telemetry/Tracking, Recording/Reproducing and Signal Data Solutions Schedule** includes audio and video recording and reproducing components and systems, television cameras, camcorders, televisions, VCRs, and DVDs. Telecommunications equipment solicited includes telemetry and tracking; radar (except airborne); underwater sound; visible and invisible light; and fiber optic and digital telecommunications equipment.

The **Office, Imaging and Document Solutions Schedule** includes copying and printing equipment; micro photographic, paper handling, and processing equipment; office machines; and filing, recordkeeping, and desktop equipment. Services include document management and mail management services. The **Sports, Promotional, Outdoor, Recreational, Trophies, and Signs (SPORTS) Schedule** contains park and recreational equipment; sporting goods and equipment; and trophies, awards, flags, and promotional products.

**GSA Automotive:** This office provides customer agencies with quality non-tactical vehicles and related services, while offering low vehicle prices. By consolidating agencies' requirements, customers realize substantial savings from all major vehicle manufacturers. The **Vehicular Multiple Award Schedule (VMAS)** includes construction, road, and snow maintenance equipment; fire trucks; mobile command centers; trash collectors and recycling vehicles; trailers; water and refueling tankers; and vehicle accessories and equipment. The Schedule also includes the purchase or lease of gas or electric low speed vehicles.

The **Tires Schedule** encompasses a wide range of new tires for passenger vehicles, as well as light and medium trucks and buses. The Schedule also includes retreaded tires for light and medium trucks and buses. The **Leasing of Automobiles and Light Trucks Schedule** covers leasing of sedans, sport utility vehicles, and vans and light trucks.

The office also has responsibility for the purchase of alternate fuel vehicles, sedans, ambulances, buses, light trucks, medium and heavy trucks, station wagons, and wreckers and carriers through **Auto Choice**, GSA's online vehicle comparison and ordering system. Contact Vehicle Buying on (703) 605-CARS for more information.

**Office of Travel and Transportation Services:** This office has expertise in two primary areas—travel services and transportation services.

The **Transportation, Delivery and Relocation Solutions (TDRS) Schedule** includes domestic delivery services, providing a wide variety of options for agencies to meet their domestic shipping needs. The Schedule also covers government wide employee relocation services, providing services for employees and their families being transferred to new duty stations. Additional services include ground transportation services, providing time definite pickup and delivery of government personnel; local courier delivery services, providing same day delivery of letters, small packages, and heavyweight shipments within a metropolitan city area; and office relocation services, providing the removal of existing office furniture, equipment, and related supplies from the existing location, transporting the items to a new location, and placing them according to the direction of the federal agency.

The **Travel Services Solutions Schedule** includes travel consulting services, travel agent services, and charter services.
